Tasting Notes

Cantauri Reserva 2014 shows a classic Rioja profile with aromas of ripe red fruit, spices and balsamic (resinous notes). Very deep intensity of cherry red tones in the heart of the glass. Abundant tears/legs.

On the nose; fresh and ripe red and black fruits, very well integrated with spicy black pepper, cocoa, forest floor and balsamic.

On the palate; powerful, fully marks the mouth, mature but with very good evolution in the bottle. It has a classic profile of Rioja wines with full maturity of the grapes. A wine that will give joy in the bottle and ages well with time.
