- 9 months in bottles.

Vintage

2017

Alcohol

15%

Bottle

0,75 cl.

Tasting Notes

The Crianza 2017 shows a profile that mixes traditional and modern characteristics of wines made from very ripe Rioja Alta grapes. Deep intensity of cherry red tones throughout the glass with abundant tears/legs that indicate the ripeness of the grapes.

On the nose; red and black fruit, ripe compotes. Spices, cocoa and caramel, well integrated with balsamic and exotic woods. Roasted and cigar ash with aromas of aging and fruits with very complex and intense brandy.

On the palate; powerful and completely marks the mouth with powdery ripeness. Very good evolution in the bottle. It is a wine that can be stored and will surprise us with all its nuances.
